

A Bigger Picture

*Photographs can be enlarged at the **Biggest Family Album** web site.*

Schools in the past were different in many ways but some things have not changed.

1. Explain how your classroom is different from these classrooms of the past.

2. What is the same?

3. Describe what you think it would have been like to attend school in the 1920s. Would you prefer to attend a school now or in the past?
