

List of publications:

- Finn, J.K. (in press).** Family Alloposidae – the giant seven-arm octopuses. In: Roper, C.F.E. and P. Jereb (eds). *Cephalopods of the World: FAO Species Catalogue*. Food and Agriculture Organization, United Nations, Rome.
- Finn, J.K. (in press).** Family Argonautidae – the argonauts. In: Roper, C.F.E. and P. Jereb (eds). *Cephalopods of the World: FAO Species Catalogue*. Food and Agriculture Organization, United Nations, Rome.
- Finn, J.K. (in press).** Family Ocythoidae the football octopus. In: Roper, C.F.E. and P. Jereb (eds). *Cephalopods of the World: FAO Species Catalogue*. Food and Agriculture Organization, United Nations, Rome.
- Finn, J.K. (in press).** Family Tremoctopodidae – the blanket octopuses. In: Roper, C.F.E. and P. Jereb (eds). *Cephalopods of the World: FAO Species Catalogue*. Food and Agriculture Organization, United Nations, Rome.
- Finn, J.K. and Norman, M.D. (in press).** World octopus fisheries. In: Roper, C.F.E. and P. Jereb (eds). *Cephalopods of the World: FAO Species Catalogue*. Food and Agriculture Organization, United Nations, Rome.
- Finn, J.K. and Norman, M.D. (2010).** The argonaut shell: gas-mediated buoyancy control in a pelagic octopus. *Proceedings of the Royal Society of London B: Biological Sciences* (in press).
- Finn, J.K., Tregenza, T. and Norman, M.D. (2009).** Defensive tool use in a coconut-carrying octopus. *Current Biology*, 19(23): R1069-R1070
- Finn, J.K., Tregenza, T. and Norman, M. (2009).** Preparing the perfect cuttlefish meal: complex prey handling by dolphins. *PLoS ONE*, 4(1): e4217. Doi:10.1371/journal.pone.0004217.
- Finn, J.K. (2009).** Systematics and biology of the argonauts or ‘paper nautilus’ (Cephalopoda: Argonautidae). PhD thesis, Department of Zoology, La Trobe University.
- Hochberg, F.G., Norman, M.D. and Finn, J.K. (2006).** *Wunderpus photogenicus* n. gen. and sp., a new octopus from the shallow waters of the Indo-Malayan Archipelago (Cephalopoda: Octopodidae). *Molluscan Research*, 26(3): 128-140.
- Finn, J.K., Norman, M.D. and Hochberg, F.G. (2005).** Phylum Dicyemida in Australian waters: first record and distribution across diverse cephalopod hosts. *Phuket Marine Biological Centre Research Bulletin* 66: 83-96.
- Jackson, G.D., Finn, J.K. and Nicol, S. (2002).** Planktonic cephalopods collected off East Antarctica during the ‘Broke’ survey. *Deep Sea Research I*, 49: 1049-1054.
- Norman, M.D., Paul, D., Finn, J.K. and Tregenza, T. (2002).** First encounter with a live male blanket octopus: the world’s most sexually size-dimorphic large animal. *New Zealand Journal of Marine and Freshwater Research*, 36: 733-736.
- O’Dor, R.K., Adamo, S., Aitken, J.P., Andrade, Y., Finn, J.K., Hanlon, R.T. and Jackson, G.D. (2002).** Currents as environmental constraints on the behavior, energetics and distribution of squid and cuttlefish. *Bulletin of Marine Science*, 71(2): 601-617.
- Norman, M.D., Finn, J.K. and Tregenza, T. (2001).** Dynamic mimicry in an Indo-Malayan octopus. *Proceedings of the Royal Society of London*, 268: 1755-1758.
- Norman, M.D. and Finn, J.K. (2001).** Revision of the *Octopus horridus* species-group, including erection of a new subgenus and description of two member species from the Great Barrier Reef, Australia. *Invertebrate Taxonomy*, 15: 13-35.
- Norman, M.D., Finn, J.K. and Tregenza, T. (1999).** Female impersonation as an alternative reproductive strategy in giant cuttlefish. *Proceedings of the Royal Society of London*, 266: 1347 – 1349.
