

## GARY CHARLES BERESFORD POORE

Curator Emeritus (Marine Biology), Museum Victoria, GPO Box 666E, Melbourne, Vic. 3001, Australia

Phone (03) 9645 7490, international (613) 9645 7490, mobile (61) 0457 047 134

Email gpoore@museum.vic.gov.au

### EDUCATION

- 1966 BSc(Hons) First Class, University of Canterbury, Christchurch, New Zealand
- 1970 PhD University of Canterbury, Christchurch, New Zealand (Thesis title: The ecology of the New Zealand *Haliotis* species (Mollusca))

### POSITIONS HELD

- 1969–1979 Senior research officer, Marine Studies Group, Ministry for Conservation, Melbourne, Australia
- 1977–1978 National Museum of Victoria, Melbourne, Australia (3 month secondment)
- 1979–2009 Curator, Department of Crustacea, Museum Victoria, Melbourne, Australia [from 1992 Senior Curator, from 2006 Principal Curator (Marine Biology)]
- 1990 Maitre de Conférences, Muséum National d'Histoire Naturelle, Paris, France (3 months)
- 1992–1994 Senior Research Associate, Victorian Institute of Marine Sciences, Melbourne, Victoria, Australia (honorary appointment)
- 1995 Research Scientist, Organisation de Recherche Scientifique et Technologique Outre-mers (ORSTOM), Paris, France (2 months)
- 1997–present Senior Research Associate, Department of Zoology, University of Melbourne, Parkville, Victoria, Australia (honorary appointment)
- 1998–2005 Honorary Research Associate, Centre for Research on the Ecological Impacts of Coastal Cities, University of Sydney, Sydney, NSW, Australia
- 1999 John R. Ellerman Fellow, Department of Zoology, University of Stellenbosch, Stellenbosch 7600, South Africa (2 months)

### POSTGRADUATE THESIS SUPERVISION

- 1980 Helen Lew Ton *Reassessment of the genus Neastacilla Tattersall (Crustacea: Isopoda: Arcturidae) and a revision of the Australasian species*. BSc (Hons), Monash University
- 1990 Laurie Cookson *Taxonomy of the Limnoriidae (Crustacea: Isopoda) and its relevance to wood preservation in Australia*. PhD, Monash University

- 1990 Robin Wilson *Systematics of Australian Nereididae (Polychaeta)* PhD, Monash University
- 1994 Genefor Walker-Smith *The systematics and taxonomy of some southern Australian leptostracans*. BSc (Hons), University of Melbourne
- 1996 Melissa Storey *Native and introduced species of the genus Corophium (Crustacea: Amphipoda) in southeastern Australia*. BSc (Hons), University of Melbourne
- 1997 Fiona Bird *Burrowing and feeding ecology of the ghost shrimp Biffarius arenosus (Decapoda: Callianassidae)*. PhD, Victoria University of Technology
- 1997 Rachael King *Systematic relationship between Tasmanian and New Zealand populations of Petrolisthes elongatus (Crustacea: Anomura: Porcellanidae)*. BSc (Hons), University of Melbourne
- 1999 Matthew Fraker *Reproductive strategies in sphaeromatid isopods*. BSc (Hons), University of Melbourne
- 1999 Michaela Farrington *Larval stages of Lomis hirta (Anomura) and its bearing on relationships*. BSc(Hons), University of Melbourne
- 2000 Kelly Merrin *Systematics of the Ischnomesidae* BSc (Hons), University of Melbourne
- 2001 Rachael King *Systematics and phylogeny of the isopod family Arcturidae*. PhD, University of Melbourne
- 2002 Sherri Lehmann *The systematics and taxonomy of hippolytid shrimps (Crustacea: Decapoda: Caridea) from southeastern Australia and northeastern New Zealand* BSc (Hons) La Trobe University
- 2003 Genefor Walker-Smith *Systematics and ecology of harpacticoid copepods*. PhD, University of Melbourne
- 2003 Joanne Taylor *Systematics and biogeography of the amphipod family Phoxocephalidae with special reference to Australia*. PhD, University of Melbourne
- 2003 Susana Gallego-Martínez *New genera of antarcturid isopods from deep water in Australia and their relationships* BSc (Hons), University of Melbourne
- 2006 Anna Syme *Systematics and biogeography of Australian cylindroleberidid ostracods (Crustacea)* PhD University of Melbourne
- Current Melissa Storey *Systematics of the isopod family Serolidae (Crustacea: Isopoda)*. PhD, University of Melbourne
- 2009 Sarah Butler *Developing a rapid assessment method to assess ecological condition of soft sediment habitats* PhD, La Trobe University
- 2011 Anna McCallum *Biogeography of Western Australian Decapoda*. PhD, University of Melbourne

## SOCIETY MEMBERSHIPS

Australian Marine Sciences Association (Inc.) — member since 1970

Australian Marine Sciences Association (Victorian Branch) — member since 1970

The Crustacean Society — inaugural member (since 1981)

Biological Society of Washington — member since 1983

Carcinological Society of Japan — member since 1997

Carcinological Society of Brazil — member since 2000

## AWARDS

- |      |   |
|------|---|
| 2003 | Whitley Book Award, Royal Zoological Society of New South Wales, Certificate of Commendation for Best Catalogue Series in 2002 for “Zoological Catalogue of Australia – Crustacea Malacostraca” |
| 2005 | Whitley Book Award, Royal Zoological Society of New South Wales, Certificate of Commendation for Best Book in Systematic Zoology in 2004 for “Marine decapod crustaceans of southern Australia” |
| 2006 | Lifetime Achievement Award. Museum Industry Recognition Awards (MIRA), presented by Museums Australia (Victorian Branch).   |
| 2010 | The Crustacean Society Excellence in Research Award   |

## COMMITTEE MEMBERSHIP

- |              |   |
|--------------|---|
| 1985–1989    | Member, Awards Committee, The Crustacean Society  |
| 1986–1992    | Member, Advisory Committee, CSIRO journal " <i>Invertebrate Taxonomy</i> "  |
| 1996         | Member, CSIRO Marine Laboratories, FRV <i>Franklin</i> Users' Committee   |
| 1998–present | Member, The International Crustacean Council  |
| 1999         | Member, Editorial Advisory Committee, Australian Biological Resources Study, Environment Australia (committee disbanded 2000) |
| 2000–2002    | Member, South-eastern Regional Marine Plan Steering Committee (National Oceans Policy)  |
| 2000–2004    | Member, Australian Natural History Medallion Awards Committee, Field Naturalists' Club of Victoria                            |
| 2001–2002    | Member, South-eastern Regional Marine Plan Bioregionalisation Task Steering Committee (National Oceans Policy)                |

2005–2007	Member, Census of Marine Life, Oceanographic Biological Information System, (OBIS), International Committee
2005–2010	Member, Census of Marine Life, Oceanographic Biological Information System, (OBIS), Taxonomic Names Working Group
2005–2007	Associate Editor, <i>Journal of Crustacean Biology</i>
2006–2010	Member, Census of Marine Life, Continental Margins and Ecosystems (COMARGE), Steering Committee
2006–present	Member, World Register of Marine Species, Steering Committee (and Joint-Editor, Isopoda, Decapoda)
2008–present	Member, Editorial Board, <i>Marine Biodiversity</i>

#### COMMITTEE OFFICES HELD

1978, 1984–1995, 1998–1999

Councillor, Australian Marine Sciences Association (Inc.)

1983–1985, 1993–1998

President, Australian Marine Sciences Association (Victorian Branch)

1997–1999 Indo-Pacific Governor, The Crustacean Society

2000–2005 President-Elect, President, Past-President, The Crustacean Society

2002–2003 President, The International Crustacean Council

#### CONFERENCE ORGANISATION (CHAIRMAN OF COMMITTEE)

1990	First International Workshop and Conference on the Biology of the Isopoda, Melbourne
1993	National Annual Conference, Australian Marine Sciences Assn (Inc.), Melbourne
1999	National Annual Conference, Australian Marine Sciences Assn (Inc.), Melbourne
2001	Fifth International Crustacean Congress, Melbourne
2007	Census of Marine Life COMARGE, Workshop on Marine Squat Lobsters, Wellington, New Zealand

#### SPECIAL MUSEUM VICTORIA ROLES

1983–1990	Editor, <i>Occasional Papers from the Museum of Victoria</i> (now discontinued)
1985–2006	Scientific Editor, <i>Memoirs of the Museum of Victoria</i>
2006–2010	Editor with Norman, M.N. <i>Museum Victoria Field Guides to Marine Life</i> .

## SIGNIFICANT GRANTS AWARDED

1981-1985	Systematics of the Isopoda Anthuridea [ABRS]
1981-1984	Survey of the benthic and demersal fauna of Bass Strait [MST]
1984-1985 1992 1998	Zoological Catalogue of Australia : Crustacea Isopoda [ABRS]
1986-1988	Systematics of Isopoda Valvifera [ABRS]
1987-1994	Benthic demersal and mesopelagic communities of the South-eastern Australian continental slope [MST/ARC]
1989-1992	Systematics of Australian Arcturidae and related families (Isopoda) [ABRS]
1992-1993	Taxonomy and biogeography of Crustacea Isopoda of the continental slope of SE Australia [ARC]
1994-1997	Resurvey of benthic communities in Port Phillip Bay [CSIRO]
1995	Systematics of introduced invertebrates in Port Phillip Bay [CSIRO]
1996-1999	Estuarine health assessment using benthic macrofauna [NRHS]
1998-2000	Latitudinal gradients of biodiversity of marine communities [ARC]
2004-2006	Interactive keys and guide to non-asellote marine Isopoda of Australia (Crustacea) [ABRS]
2005	Understanding marine life - guides to the marine fauna [NHT]
2005	Report on South Western Australia Decapoda [CSIRO Marine & Atmospheric Research]
2007	Revision of Callianassoidea [University of Louisiana Lafayette]
2007	Biodiversity of decapods and benthic communities as part of Marine Biodiversity Hub [Collaborative Environmental Research Fund]
2009	Squat lobster interactive keys [COMARGE]
