

Dr John A. Long
Head, Sciences

Qualifications:

BSc(Hons), Monash University, Melbourne
PhD, Monash University, Melbourne

Contact:

Museum Victoria, GPO Box 666, Melbourne, Vic. 3001, Australia
Street address: Melbourne Museum, Carlton Gardens, Nicholson Street, Carlton, Vic.
3052
Telephone: (61 3) 8341 7420
Fax: (61 3) 8341 74546
Email: jlong@museum.vic.gov.au

Publication history:

Books
Edited scientific volumes
Monographs and large review papers
Papers in Scientific journals
Papers/publications in press
Contributions to scientific books (refereed)
Papers in press/in prep.
Abstracts and short reviews
Popular science publications

Books

- LONG, J.A. 1991. *Dinosaurs of Australia, and other animals of the Mesozoic Era*. Reed Books, Sydney, 88pp (B& W, hardback).
- LONG, J.A. & McNAMARA, K.J. 1991. *Sea Monsters- Bizarre and unusual creatures from seas of the prehistoric past and present*. W.,A. Museum, 40pp.
- LONG, J.A. 1993. *Dinosaurs of Australia and other animals of the Triassic, Jurassic and Cretaceous Periods*. Reed Books, Sydney, 88pp.
- LONG, J.A. 1995. *The Rise of Fishes: 500 Million Years of Evolution*. University of New South Wales Press, Sydney; Johns Hopkins University Press, Baltimore, USA. 1995. 230pp. (full colour, hardback).
- LONG, J.A. 1997. *Mystery of Devil's Roost*. Fremantle Arts Centre Press, Fremantle, WA. 128 pp.. (juvenile educational science fiction).
- McNAMARA, K.J. and LONG, J.A. 1998. *The Evolution Revolution*. Wiley and Sons, London and New York. 299pp. Hardback and paperback editions.
- LONG, J.A. 1998. *The Dinosaurs of Australia and New Zealand, and other animals of the Mesozoic Era*. University of New South Wales Press, Sydney; Harvard University Press, MA. USA. 182pp. (full colour, hardback).
- LONG, J.A. 1999. *The Hermit of Hyde Park*. Gogo Press, Perth, WA. 148 pp.. (juvenile educational fiction).
- LONG, J.A. 2000. *Mountains of Madness- A Journey through Antarctica*. Allen & Unwin ISBN 1865083704, 238 pp.. softback, C5 size.
- LONG, J.A. 2000. *Mountains of Madness- A Scientist's Odyssey through Antarctica*. Joseph Henry Press, USA (National Academies Press), ISBN 0309070775, hardcover, 260 pp.
- BRETT-SURMAN, M.K. (ed): BROCHU, C., LONG, J., McHENRY, C., SCANLON, J.D. & WILLIS, P. 2000. *The Time-Life Guides. Dinosaurs*. Time-Life Books, Weldon Owen Publishing, Sydney. ISBN 0-7370-0081-3. 256pp, hardback, full colour.
- BRETT-SURMAN, M.K. (ed): BROCHU, C., LONG, J., McHENRY, C., SCANLON, J.D. & WILLIS, P. 2000. *Dinosaurs. The ultimate guide to prehistoric life*. Harper-Collins, London. ISBN 0007100841 256pp, hardback, full colour.
- LONG, J.A. 2002. *The Dinosaur Dealers*. Allen & Unwin, Sydney. 220 pp.. ISBN 1 86508 829 3, softback. colour photos.
- LONG, J.A., ARCHER, M., FLANNERY, T.F. & HAND, S. 2002. *Prehistoric Mammals of Australia and New Guinea: One Hundred Million Years of Evolution*. University of New South Wales Press, NSW & Johns Hopkins University Press, Baltimore, USA. 244pp.(full colour, hardback).
- LONG, J.A. 2003. *The Journey to the Dawn of Time*. Fremantle Arts Centre Press. 152pp. ISBN 1 86368 357 7.
- LONG, J.A. 2004. *Gogo Fish! The story of the Western Australian State fossil emblem*. The Western Australian Museum, Perth. ISBN 1 920843086. 48pp.
- LONG, J.A. 2004. *Its True! Dinosaurs Never Died!* Allen & Unwin, Sydney. ISBN 1-74114-274-1, 88pp.
- LONG, J.A. 2005. *The Big Picture Book*. Allen & Unwin, Sydney. 48 pp (published but not yet released). Full colour, hardback..
- LONG, J.A. 2006. *Swimming in Stone –the amazing Gogo fossils of the Kimberley..* Fremantle Arts centre Press, WA. 320pp. ISBN 1921064331.
- McNAMARA, K.J. & LONG, J.A. 2007. *The Evolution revolution-Design without intelligence*. MUP, Melbourne 304pp.
- LONG, J.A. & SCHOUTEN, P. 2008. *Feathered Dinosaurs– From Dinosaurs to Birds*. CSIRO Publishing, Melbourne, 200 pp.
- LONG, J.A. 2008. *The Big Picture Book of Environments*. Allen & Unwin, Sydney. 48pp.
- LONG, J.A. in press for 2009. *The Big Picture Book of Human Civilisation*. Allen & Unwin (childrens non-fiction).
- STILWELL, J. & LONG, J.A. in press, *Frozen in Time –prehistoric fauna and flora of Antarctica*. CSIRO Press, Collingwood. 250pp. (glossy colour popular science book on Antarctic paleontology)

Edited scientific volumes

- LONG, J.A. (ed). 1993. *Palaeozoic Vertebrate Biostratigraphy and Biogeography*. Belhaven Press, London, 369pp.
- LONG, J.A. (ed). 1994. *Paleozoic Vertebrate Biostratigraphy and Biogeography*. Johns Hopkins University Press, Baltimore, USA 369pp.
- BAYNES, A. & LONG, J.A., (eds.). 1999. Papers in Vertebrate Palaeontology. *Records of the Western Australian Museum Supplement 57*: 1-424.
- TALENT, J., MAWSON, R. & LONG, J.A., (eds.). 2001. Mid-Palaeozoic Biota and Biogeography. *Supplement to the Records of the Western Australian Museum 58*: 1-420.

Monographs and large review papers

- LONG, J.A. 1988. New Palaeoniscoid fishes from the Late Devonian - Early Carboniferous of Victoria, Australia. *Memoirs of the Association of Australasian Palaeontologists*, 7: 1-64.
- McNAMARA, K.J., LONG, J.A. & BRIMMELL, K. 1991. Catalogue of type fossils in the Western Australian Museum. *Records of the Western Australian Museum, Supplement 39*: 1-106.
- LONG, J.A. 1991. The long history of Australian fossil fishes. Ch.12 in: *The Vertebrate Palaeontology of Australasia*, P.V. Rich, J. Monaghan, R.F. Baird & T. Rich, (eds.), Pioneer Design Studios, Lilydale: pp. 337-428.
- YOUNG, G.C., LONG, J.A. & RITCHIE, A. 1992. Crossopterygian fishes from the Devonian Aztec Siltstone, Antarctica: systematics, relationships and biogeographic significance. *Records of the Australian Museum, Supplement 14*: 1-77.
- LONG, J.A., BARWICK, R.E. & CAMPBELL, K.S.W. 1997. Osteology and functional morphology of the osteolepiform fish *Gogoniasus andrewsae* Long 1985, from the Upper Devonian Gogo Formation, Western Australia. *Records of the Western Australian Museum Supplement 53*: 1-89.
- ANDREWS, S.M. (deceased), LONG, J.A., AHLBERG, P.E. , CAMPBELL, K.S.W. & BARWICK, R.E. 2006.. *Onychodus jandemarra*, new species, from the Late Devonian Gogo Formation of Western Australia. *Transactions of the Royal Society of Edinburgh, Earth Sciences* 96 (3): 197-307.

Papers in scientific journals

- LONG, J.A. 1983a. New bothriolepid fishes from the Late Devonian of Victoria, Australia. *Palaeontology* 26: 295-320.
- LONG, J.A. 1983b. A new diplacanthoid acanthodian from the Late Devonian of Victoria, Australia. *Memoirs of the Association of Australasian Palaeontologists* 1: 51-65.
- LONG, J.A. 1984a. New phyllolepid fishes from Victoria and the relationships of the group. *Proceedings of the Linnean Society of New South Wales*, 107: 263-308.
- LONG, J.A. 1984b. New placoderm fishes from the Early Devonian Buchan Group, eastern Victoria. *Proceedings of the Royal Society of Victoria* 96: 173-186.
- LONG, J.A. 1985a. The structure and relationships of a new osteolepiform fish from the Late Devonian of Victoria, Australia. *Alcheringa*, 9: 1-22.
- LONG, J.A. 1985b. A new Cretaceous chimaerid (Pisces; Holocephali) from South Australia. *Transactions of the Royal Society of South Australia*, 109: 49-53.
- LONG, J.A. 1985c. New information on the head and shoulder girdle of *Canowindra grossi* Thomson from the Upper Devonian Mandagery Sandstone, New South Wales. *Records of the Australian Museum*, 37: 91-99.
- LONG, J.A. 1985d. A new osteolepidid fish from the Upper Devonian Gogo Formation, Western Australia. *Records of the Western Australian Museum*, 12: 361-377.
- LONG, J.A. & CAMPBELL, K.S.W. 1985. A new lungfish from the Lower Carboniferous of Victoria. *Proceedings of the Royal Society of Victoria*, 97: 87-93.
- LONG, J.A. 1986a. A new Late Devonian acanthodian fish from Mt.Howitt, Victoria, Australia, with remarks on acanthodian biogeography. *Proceedings of the Royal Society of Victoria*, 98: 1-17.

- LONG, J.A. 1986b. New ischnacanthid acanthodians from the Early Devonian of Australia, with comments on acanthodian interrelationships. *Zoological Journal of the Linnean Society of London* 87: 321-339.
- LONG, J.A. & WERDELIN, L. 1986. A new Late Devonian bothriolepid (Placodermi, Antiarcha) from Victoria, with descriptions of others from the state. *Alcheringa* 10: 355-399.
- WERDELIN, L. & LONG, J.A. 1986. Allometry in the placoderm *Bothriolepis canadensis* and its significance to antiarch evolution. *Lethaia*, 19: 161-169.
- LONG, J.A. 1987a. A redescription of the lungfish *Eoctenodus* Hills 1929, with a reassessment of the genus *Dipterus* Sedgwick & Murchison in Australia. *Records of the Western Australian Museum* 13: 297-314.
- LONG, J.A. 1987b. Upper Devonian conodonts from a large placoderm fish skull, Canning Basin, Western Australia. *Records of the Western Australian Museum*, 13: 501-513.
- LONG, J.A. 1987c. A new dinichthyid fish (Placodermi; Arthrodira) from the Upper Devonian of Western Australia, with a discussion of dinichthyid interrelationships. *Records of the Western Australian Museum*, 13: 515-540.
- LONG, J.A. 1987d. Late Devonian fishes from the Gogo Formation, Western Australia - new discoveries. *Search* 18 (4): 203-205.
- LONG, J.A. 1987e. An unusual osteolepiform fish from the Late Devonian of Victoria, Australia. *Palaeontology* 30 (4): 839-852.
- TURNER, S. & LONG, J.A. 1987. Carboniferous palaeoniscoid fishes (Osteichthyes, Actinopterygii) from Queensland. *Memoirs of the Queensland Museum* 25: 193-200.
- LONG, J.A. 1988a. ?*Campbellodus* sp. from the Upper Devonian Napier Formation, Western Australia. *Records of the Western Australian Museum* 14:141-144.
- LONG, J.A. 1988b. Late Devonian fishes from the Gogo Formation, Western Australia. *National Geographic Research and Exploration* 4: 438-452.
- LONG, J.A. 1988c. New information on the arthrodire *Tubonasmus* from Gogo, Western Australia. *Memoirs of the Association of Australasian Palaeontologists*, 7: 81-85.
- LONG, J.A. 1988d. A new camuropiscid arthrodire (Pisces, Placodermi) from Gogo, Western Australia. *Zoological Journal of the Linnean Society of London* 94: 233-258.
- LONG, J.A. , TURNER, S. & YOUNG, G.C. 1988. A Devonian fish fauna from subsurface sediments in the eastern Officer Basin, South Australia. *Alcheringa* 12: 61-78.
- LONG, J.A. & YOUNG, G.C. 1988. Acanthothoracid remains from the Early Devonian of New South Wales, including a complete sclerotic capsule and pelvic girdle. *Memoirs of the Association of Australasian Palaeontologists*, 7: 65-80.
- LONG, J.A. 1989a. A new rhizodontiform fish from the Early Carboniferous of Victoria, Australia, with remarks on the phylogenetic position of the group. *Journal of Vertebrate Palaeontology* 9: 1-17.
- LONG, J.A. 1989b. Biogeographic and biostratigraphic significance of the Devonian fish fauna from the Aztec Siltstone, Antarctica. *New Zealand Antarctic Record* 9 (1): 45-51.
- LONG, J.A. & BURRETT, C.F. 1989a. Early Devonian conodonts from the Kuan Tung Formation, Thailand: systematics and implications to biogeography. *Records of the Australian Museum*. 41: 121-133.
- LONG, J.A. & BURRETT, C.F. 1989b. Fish from the Upper Devonian of the Shan-Thai Terrane indicate proximity to East Gondwana and South China Terranes. *Geology* 17: 811-813.
- LONG, J.A. & BURRETT, C.F. 1989c. Tubular phosphatic microproblematica from the Early Ordovician of China. *Lethaia* 22: 427-435.
- LONG, J.A. 1990a. Two new arthrodiras (placoderm fishes) from the Upper Devonian Gogo Formation, Western Australia. *Memoirs of the Queensland Museum* 28, De Vis Symposium Volume, pp. 51-64.
- LONG, J.A. 1990b. Late Devonian chondrichthyans and other micro vertebrate remains from Northern Thailand. *Journal of Vertebrate Paleontology*. 10 (1): 59-71.
- LONG, J.A. 1990c. Heterochrony and the origin of tetrapods. *Lethaia* 23: 157-166.
- LONG, J.A. & INGAVAT, R. 1990. Discovery of Late Devonian micro vertebrate fauna near Mae Sariang. *Mining and Mineral Gazette*, Royal Thai Dept. of Mines (Bangkok), 34: 26-31.
- BURRETT, C.F., LONG, J.A. & STAIT, B. 1990. Early-Middle Palaeozoic biogeography of Asian Terranes derived from Gondwana. *Memoirs of the Geological Society of London* 12: 163-174.

- LONG, J.A., BURRETT, C.F., NGAN, P.K. & JANVIER, P. 1990. A new bothriolepid antiarch (Pisces, Placodermi), from the Devonian of Do Son Peninsula, northern Vietnam. *Alcheringa* 14: 181-194.
- WOLFE, K.J., LONG, J.A., BRADSHAW, M.A., HARMSSEN, F. & KIRKBRIDE, M. 1990. Fish-bearing Aztec Siltstone (Devonian) in the Cook Mountains, Antarctica. *New Zealand Journal of Geology and Geophysics* 33: 511-514.
- LONG, J.A. 1991a. Late Devonian fishes from the Munabia Sandstone, Carnarvon Basin, Western Australia. *Records of the Western Australian Museum* 15: 503-516.
- LONG, J.A. 1991b. Arthrodire predation by *Onychodus* (Pisces, Crossopterygii) from the Late Devonian Gogo Formation, Western Australia. *Records of the Western Australian Museum* 15: 503-516.
- BENNETT, S.C. & LONG, J.A. 1991. A large pterodactyloid pterosaur from the Late Cretaceous (Late Maastrichtian) of Western Australia. *Records of the Western Australian Museum* 15: 435-444.
- LONG, J.A. 1992a. *Gogodipterus paddyensis* (Miles) gen. nov., a new chirodipterid lungfish from the Late Devonian Gogo Formation, Western Australia. *The Beagle, Northern Territory Museum* 9: 11-20.
- LONG, J.A. 1992b. First dinosaur bones from Western Australia. 5 figs, *The Beagle, Northern Territory Museum*, 9: 21-28.
- LONG, J.A. 1992c. Cranial anatomy of two new Late Devonian lungfishes (Pisces, Dipnoi) from Mt. Howitt, Victoria. *Records of the Australian Museum*. 44: 299-318.
- LONG, J.A. 1993a. Cranial ribs in Devonian lungfishes and the origin of air-breathing. *Memoir of the Australasian Association of Palaeontologists* 15: 199-210.
- WYRWOLL, K.-H., KENDRICK, G.W. & LONG, J.A. 1993. The geomorphology and Late Cenozoic geomorphological evolution of the Cape Range -Exmouth Gulf region. *Records of the Western Australian Museum Supplement* 45: 1-23.
- McLOUGHLIN, S. & LONG, J.A. 1994. New Records of Devonian Plants from southern Victoria Land, Antarctica. *Geological Magazine* 131: 81-90.
- LONG, J. A., CAMPBELL, K.S.W. & BARWICK, R.E. 1994. A phylogenetically significant new genus of lungfish from the Early Devonian of Victoria. *Journal of Vertebrate Palaeontology* 14: 127-131.
- LONG, J.A. 1994. A second incisoscutid arthrodire (Pisces, Placodermi) from the Late Devonian Gogo Formation, Western Australia. *Alcheringa* 18: 59-69.
- LONG, J.A. & MACKNESS, B. 1994. Studies of the Late Cainozoic diprotodontid marsupials of Australia. 4. The Bacchus Marsh *Diprotodonts* -Geology, Sedimentology and Taphonomy. *Records of the South Australian Museum* 27: 95-110.
- LONG, J.A. 1995a. A new groenlandaspidid arthrodire (Pisces; Placodermi) from the Middle Devonian Aztec Siltstone, South Victoria Land, Antarctica. *Records of the Western Australian Museum* 17: 35-41.
- LONG, J.A. 1995b. A new plourdosteid arthrodire from the Late Devonian Gogo Formation, Western Australia. *Palaeontology* 38: 39-62.
- LONG, J.A. 1995c. A theropod dinosaur bone from the Late Cretaceous Molecap Greensand, Western Australia. *Records of the Western Australian Museum* 17: 143-146.
- LONG, J.A. & YOUNG, G.C., 1995. Sharks from the Middle-Late Devonian Aztec Siltstone, southern Victoria Land, Antarctica. *Records of the Western Australian Museum* 17: 287-308.
- FOX, R.C., CAMPBELL, K.C.W., BARWICK, R.E. & LONG, J.A., 1995. A new osteolepiform fish from the Lower Carboniferous Raymond Formation, Drummond Basin, *Memoirs of the Queensland Museum* 38: 97-221.
- LONG, J.A. & CRUICKSHANK, A.R.I. 1996. First record of an Early Cretaceous theropod dinosaur bone from Western Australia. *Records of the Western Australian Museum* 18: 219-222.
- LONG, J.A., ANDERSON, E., GESS, R. & HILLER, N. 1997. New placoderm fishes from the Upper Devonian of South Africa. *Journal of Vertebrate Palaeontology* 17: 253-268.
- LONG, J.A. 1997. Ptyctodontid fishes from the Late Devonian Gogo Formation, Western Australia, with a revision of the European genus *Ctenurella* Ørvig 1960. *Geodiversitas* (Paris Museum of Natural History) 19: 515-556.
- CRUICKSHANK, A.R.I. & LONG, J.A. 1997. A new species of pliosaurid reptile from the Early Cretaceous Birdrong Sandstone of Western Australia. *Records of the Western Australian Museum* 18: 263-276

- LONG, J.A. & CRUICKSHANK, A.R.I. 1998. Further records of plesiosaurian reptiles from the Jurassic and Cretaceous Periods of Western Australia. *Records of the Western Australian Museum* 19: 47-56.
- LONG, J.A., VICKERS-RICH, P., HIRSCH, K., BRAY, E. and TUNIZ, C. 1998. The Cervantes egg: an early Malagasy tourist to Australia *Records of the Western Australian Museum*. 19: 39-46.
- LONG, J.A. & MOLNAR, R., E. 1998. A new Jurassic theropod dinosaur from Western Australia *Records of the Western Australian Museum*. 19: 221-229.
- BURROW, C.J., LONG, J.A. and TURNER, S. 1998. Lower Devonian microvertebrates from the Point Hibbs Formation, Tasmania. *Alcheringa* 22: 9-20.
- LONG, J.A. 1999. A new genus of fossil coelacanth (Osteichthyes; Coelacanthiformes) from the Middle Devonian of southeastern Australia. *Records of the Western Australian Museum Supplement* No. 57: 37-54.
- LONG, J.A. & AHLBERG, P. 1999. New observations on the snouts of rhizodont fishes. *Records of the Western Australian Museum Supplement* 57: 169-174.
- ANDERSON, M. E., LONG, J.A., EVANS, F.J., ALMOND, J.E., THERON, J.N., & BENDER, P.A. 1999. Biogeographic affinities of Middle and Late Devonian fishes of South Africa. *Records of the Western Australian Museum Supplement* 57: 157-168.
- CRUICKSHANK, A.R.I., FORDYCE, E. & LONG, J.A. 1999. Recent developments in Australasian Sauropterygian palaeontology. *Records of the Western Australian Museum Supplement* 57: 201-206.
